

Lull Telehandler Parts

Lull Telehandler Part - Telehandlers by Lull have been providing load placement accuracy since nineteen fifty nine. The Lull telehandler can really help make the work easier and faster, whether the work involves landing loads on scaffoldings, transferring loads or positioning heavy steel. These units are available with the patented Stabil-Trak stability system to ensure operator confidence.

The horizontal placement system by Lull can supply eighty inches of boom travel for precision placement functionality. There are even lots of optional Lull attachments for their telehandlers to help finish whichever work.
