

Trek Part

Trek Part - TREK Cleaning Machines is a maker of cleaning machinery. Chris Knowlton, Bob O'Hara and Jim Hartsock, TREK's founders, have more than 60 years of experience successfully manufacturing, designing, developing, marketing and providing customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their clients and are devoted to providing new design concepts and top quality in order to meet the diverse needs of their customers.

In their product development; TREK Cleaning Machines always offers fresh design ideas. They like offering products that energize both their partners and their dealers and offer production gains to their clients.

The TREK team of employees likes new tasks and new challenges. They are very proud to introduce its breakthrough technology found in their Torsion scrubber line. This line was motivated by the comprehension of operators' skills and needs along with their knowledge of cleaning applications, along with owners' strong desire to significantly lessen cost through productivity gains.

When required, the workers within TREK and its many dealer members in both parts and in technical support would be accessible. Amongst their core values is their high service devotion in their customer service. Keeping their customers' cleaning machinery ready and functioning day after day is top priority. The company's top of the line technology delivers dependable machine which ultimately lessens your cleaning cost. The product, the price and the service all work as one to be able to make them the leader in the industry.
